PLC PUBLISHES ITS FIRST SUSTAINABILITY REPORT

PLC S.p.A. announces that the Sustainability Report of the PLC Group as at 31 December 2020, together with the related audit report by EY S.p.A., both drawn up on a non-compulsory basis, has been made available to the public at the company's registered office in Milan, Via Lanzone no. 31, at the authorized storage mechanism eMarket STORAGE (available at www.emarketstorage.com), as well as on the Company's website (www.plc-spa.com), in the Investor relations / Sustainability section.

The PLC Group, aware of the relevance of the Sustainable Development Goals (SDGs) of the 2030 Agenda, considering the role it wishes to play in the historic challenge towards energy transition, has elected, with its first Sustainability Report, to highlight: (i) its ongoing focus on ESG (Environmental, Social and Governance) issues; (ii) its future goals and how they actually affect its business and governance model, as well as (iii) the effective value created by the whole organization and the impacts on its stakeholders. Indeed, sustainable development and growth are deemed to be key points for the PLC Group and are integrative part of the corporate culture, of the business management and of the relationship with people, employees, external and internal partners and institutions at all levels, both in Italy and abroad, attesting the PLC Group's strong commitment to promoting its sustainable success.
